- The purpose of the ECEAP program review is to inform DEL about your program and monitor your compliance with ECEAP Performance Standards and your ECEAP Contract.
- About six weeks before your review, your ECEAP Specialist will contact you to plan the review activities.
- Within 90 days after your review, you will receive your program review report.
- If you are out of compliance with an ECEAP Performance Standard or contract provision, you must submit an action plan to DEL within 30 days.
- DEL staff will continue to work with you and provide technical assistance as you implement your action plan.
